

Parish EV charging point update – seeking a low cost solution to the PC

- Approached charge highway service suppliers
 - Ecotricity – no 😞
 - BP Charge Master – no 😞
 - Rolec – no 😞
 - Ionity – waiting response 😊
- Installer of EV points
 - ACIS Energy – awaiting a meeting 😊
 - Powered Solutions – awaiting a quote 😊
- Worcestershire Highways for Government funding 75% – The “On Street Residential Charge Point Scheme” – Barry Barnes / Martin Rowe
 - I need to complete a funding request – issue is that Highways need to pay for the ongoing maintenance of the chargers 😊
 - Could the 25% be funded via New Homes Bonus?
